#### 12.1 CG

CG provides the functionality and capabilities of a private network through the use of shared transmission facilities, operated by a single, software-controlled management system. CG is compatible with most existing public and private networks and can be reconfigured to meet changing communications needs. CG service provides switched or dedicated access, and single or multi-location capability. Calling types include On-Net to On-Net, On-Net to Off-Net, Off-Net to On-Net, and Off-Net to Off-Net, as defined in Section 2.1.1 of this International GSA. Dedicated access supports outgoing and incoming On-Net traffic and Off-Net traffic. Switched access supports outgoing Off-Net traffic and incoming On-Net and Off-Net traffic. CG will support incorporation with customers' existing private networks with On-Net dialing between locations. CG provides international and domestic calling for voice, fax, voice band data, and ISDN PRI switched 56k/64k digital data, and a range of invoicing and reporting options tailored to customers' internal organizational structure and administrative processes. Customers may choose a variable length network dial plan consisting of 4, 6 or 7 digits. Multi-location customers can be billed via a consolidated invoice or individual invoices. Invoices are generated monthly available on paper or electronic media. Outbound CG calls must originate from the U.S. Mainland and can terminate in the U.S. Mainland, Alaska, Hawaii, Puerto Rico, U.S. Virgin Islands, and the CG international locations specified in this Section. All outbound calls are dialed without the assistance of an operator. Excluding Mexico, all domestic and international calls are billed with an 18-second minimum, in one-second increments thereafter. Mexico traffic is billed with a one-minute minimum in 30-second increments thereafter. Toll-free service associated with CG is billed in the same increments as CBFI set forth in Section 4, herein. Volume and term plan discounts may apply to usage as set forth in this International GSA.

17. Prepaid Calling Card

Prepaid calling card Service permits Customers to originate outbound direct dial calls using a toll free number and terminates those calls in the international locations specified in Section 3.15.2. Calls are billed in 1-minute increments. Cards are valid until the expiration date printed on the card or until the balance on the card is \$0.00, whichever occurs first. If not specified, the expiration date shall be one year from the last day of the calendar month during which the Card was issued.

The Customer has an option to "Recharge" available balance on the Prepaid Calling Card. If a card is Recharged, after the earlier of when the Card's value balance first becomes zero or the expiration of the Card's validity period, for each call placed through the Card, the Card's then-remaining recharge amount balance shall be decremented at the rate applicable to the Plan specified by the Customer. The Recharge rates assumes that Carrier shall pay to the applicable taxing entity any applicable Federal excise and state and local telecommunications taxes and surcharges computed based on the Recharge rates. Each such call shall be decremented in 1 minute increments. In addition, the Card's balance shall be decremented for any applicable local, state or international taxes and surcharges. When a Card's then-remaining Recharge amount balance, based on the call then in progress, is thirty (30) seconds an announcement shall be made indicating that the call shall be automatically terminated when the Card's Recharge Amount balance becomes zero.

The maximum dollar value of each Recharge Amount shall be \$50.00. To Recharge a Card, the Cardholder shall call a designated toll-free number and, in response to the automated voice prompts, provide (i) its account number for a major credit card accepted by Carrier, (ii) PIN, and (iii) other pertinent information. A Recharge amount may be used by the Cardholder only within one (1) year from the date the Cardholder Recharges its Card.

Each Recharge amount shall be non-refundable and shall be billed by Carrier to the Cardholder via the Cardholder's designated credit card account. For any Recharge amount that a Cardholder fails to pay to Carrier via the Cardholder's credit card account, the Customer shall pay such amount to Carrier within fifteen (15) days of the Customer's receipt of written notice thereof from Carrier.

If Carrier notifies the Customer that a credit card company has notified Carrier that a Recharge amount is non-collectable and if Carrier provides to the Customer the supporting documentation that Carrier has received from the credit card company with regard to such Recharge amount, the Customer shall pay such amount to Carrier within fifteen (15) days after the Customer's receipt of Carrier's notice.

Carrier may immediately, and without prior notice to the Customer or the Cardholder, terminate the Recharge option for a particular PIN for any of the reasons for disconnection applicable to other Services and specified in Section 2 of this International GSA. In the event the Recharge option is terminated for a particular PIN, Carrier shall not be obligated to pay the Customer for any Recharge Payments associated with that PIN.

3. SERVICE DESCRIPTION & RATES (Cont.)17. Prepaid Calling Card (Cont.)

Carrier shall not issue a refund on any amounts left on the card past its expiration date. Cards are available in various unit denominations. The number of minutes of use for each card shall be the maximum number of minutes at rates set forth below, covered by the Carrier-fixed dollar value of the card. The per unit value listed below excludes any local taxes or surcharges.

D. Volume Discounts

Volume discounts set forth below are applied to a base or a reduced term plan rates when customers commit to a particular usage volume level. If the customer does not meet the volume level that he committed to under the Volume Discount plan, then volume discount will not be applied for that billing period.

<u>Total Monthly Usage Commitment</u> */	<u>Discount</u>
\$100	5%
\$1,000	7%
\$5,000	10%

\*/ Usage includes all Partner CBFI usage plus international Conference Calling usage (see Section 3.10 of this International GSA), as well as intrastate and international Partner CBFI, as applicable, and domestic Conference Calling usage.

3. SERVICE DESCRIPTION & RATES (Cont.)21. CC

CC International is an integrated inbound and outbound service with switched and dedicated access, available to customers via selected distribution channel. CC is billed in flat per minute rates, not time of day or mileage sensitive. New Association subscribers of CC service are eligible to receive a 5% Association volume discount. CGL Priority Country optional feature, as set forth in Section 3.8.3 of this International GSA, is available to CC subscribers with their initial order. The CC Customer is allowed to select from one (1) to three (3) countries to which an incremental discount of up to 20% may be applied, based upon international usage to one or more of the three countries. Unless otherwise specifically referenced in this International GSA, no other discount programs apply to CC customers. Set up fees, other monthly fees, and minimum monthly usage requirements may apply, as set forth in Section 4.1.13 of Carrier's domestic GSA applicable to former C&W customers. Conference call and other administrative features are available to CC customers. Conference calls\* are billed in one minute increments. Switched outbound and inbound calls, dedicated inbound calls, and calls to countries other than Mexico are billed in 6-second increments, after a 30-second minimum call duration. Mexico calls are billed in one-minute increments.

\* Conference calls, see Section 3.10 of this International GSA.
