

### **More than Just Talk<sup>SM</sup> Promotion**

Effective February 18, 2005, Primus is offering a one time, \$25 credit (the "Credit") to New Customers that (a) sign up directly with Primus for Primus wireless services and qualifying Primus long distance (landline) services at the same time; (b) make at least one (1) landline call using their Primus long distance service between the first and last day of their second billing cycle. The Credit will be issued in the customer's second invoice for long distance (landline) services, and will only be issued if customer has not cancelled either of the services at the time the Credit is posted. For purposes of this promotion, qualifying long distance (landline) services shall include any of Primus's long distance products, except for the following: Primus Business Services, El Futuro con Primus, Primus In Touch, PR & El Mundo Total Service. "New Customer" shall be defined as an individual or entity that has not received long distance services from Primus in the ninety (90) days preceding their enrollment in Primus long distance or wireless services. Enrollment in Primus services through a Primus Agent or Channel Partner shall not qualify for this promotion. The Credit shall be applied to landline interstate usage charges only. If New Customer's landline usage charges are less than the Credit amount, then the remaining portion of the credit shall be applied to the following month's bill, up to a maximum of three (3) monthly periods. Failure to exhaust the Credit prior to termination of the long distance (landline) services shall result in forfeiture of remaining amounts; under no circumstances will refunds be due to New Customers under this promotion.

### **60 Free Minutes Promotion**

Effective March 1, 2005, Primus is offering up to sixty (60) free minutes of international calling ("Free Minutes") to New Customers that sign up directly with Primus long distance (landline) services. The Free Minutes will be issued in increments of up to ten (10) minutes each month, for six (6) consecutive months following the customer's switch to Primus long distance services, provided that the customer bills at least \$5 in qualifying long distance usage charges each month. For purposes of this promotion, "qualifying long distance charges" shall include usage charges only (excluding fees, taxes and surcharges) that arise out of direct dialed long distance, calling card usage, and/or mobile gateway service. The Free Minutes will be applied to the first ten (10) minutes of direct dialed international calls on the customer's bill. Failure to incur ten (10) minutes of international calling will result in a forfeiture of any unused Free Minutes for that month; under no circumstances will refunds or other credits be due to New Customers. "New Customer" shall be defined as an individual or entity that has not received long distance services from Primus in the ninety (90) days preceding their enrollment in Primus long distance. Enrollment in Primus services through a Primus Agent or Channel Partner shall not qualify for this promotion.

### **PMG Talk & Save Promotion**

Effective May 1, 2005, Primus is offering up to a \$10 credit to existing Primus long distance customers that sign up for Primus Mobile Gateway Service ("PMG") by calling 1-800-620-2184. Only "new PMG customers," or customers that have not purchased

PMG Services from Primus in the previous ninety (90) days, will be eligible to receive the credit. The credit, of up to \$10, will be applied against Customer's billed PMG usage charges (excluding taxes, fees and surcharges) in the third PMG invoice. Promotion not available to customers in Puerto Rico and expires on April 31, 2005.
